*Why*

**THIS PROJECT?**

**IN OUR

Invisible discrimination and microaggressions are not recognized as toxic behaviours;

## **Problem 3**

There's a lack of youth participation in social issues;

# OBJECTIVES

**PROMOTE** a clear knowledge of concepts such as **microaggressions** and **invisible discrimination** taking into account real examples in everyday life.

# OBJECTIVES

**CLARIFY** how invisible racism/discrimination is present in everyday life and hinders social justice and dialogue.
